Dear Mr. Yerkowitz – How happy your letter makes me – It gives me life & ~~that~~ ~~has been happened to me~~ to me –

Dear Mr. Yerkowitz –

Your letter moved me so much that it is hard to answer it – to such a wonderful thing to happen to any one – to have a permanent place for a Life's work – and in such a room as the Fine Arts Rare Book Room – of Syracuse University – – and your appreciation – I am deeply moved and very very happy –
Some time I will be along and will give you advance notice of my coming –
I've heard about John de Pol but haven't seen his work – and want to very much –

Sincerely yours
Alice

Your appreciation
