Dear Clara: Thank you for the cool snowy card — we need a breath of cool air — Anne is perhaps a little worse but the doctor does not know — tests are still taken daily and they cannot release her to go home. She is acting very badly towards nurses,

doctor and everyone and (2)
storms and bosses
I think, Clara, with all
her kindness and her
spiritual enlightenment
she has never been
disciplined by life and
by herself to accept,
be patient, work with
instead of having
her own free way. Now
near the close of
her life perhaps her
Soul has imposed
Brownie
