

CABLE ADDRESS "WALDORF, NEW YORK"

Sunday.

The Waldorf-Astoria
New York

Just a wild note of hasty farewell
I hope we may all meet again -
for Britain I have voiced my feelings anent Girls (here)
Camps in an article that will come only in "The
Ladies' Home Journal" some time next spring; probably
March. It is called "The Camp of Comradeship"
and I have made little word-sketches of some of
you which I hope will give only pleasure - I was not
allowed to put Names of course, nor should have -

Please give my love & thanks to Clara
Sippell & the same to all of you
