Dear Carlotta —

It has been a long time since Bill Fagalay of the New Orleans Museum and I had the pleasure of visiting you in Denton. Your photographs "Eggs Multiplied" has continued to be a source of pleasure for us and fills a vital spot in our

collection. In the fall I'm hopeful of printing a catalogue of our collection. In do so I need your help.

1. Send me biographical information including birth date - involvements with Kepes - career in general - exhibitions publications etc.
2. Please consider and if approve sign the Museum's permission form so we may be able to reproduce your photographs in the catalogue
3. Keep me posted

I note you had an exhibition at the Marcuse Pfeifer Gallery in New York. Was it successful? Looking forward to your reply and wishing you a good new year I am

Sincerely
Alan DuBois
