SUMMER DAYS, 1866
PHOTOGRAPH BY JULIA MARGARET CAMERON

Dear Carlotta –

My stay in Santa Fe has been splendid. I'm staying in Laura Gilpin's old studio & spending my days talking to people who knew her -- from Pueblo Indians to architects to anthropologists to artists, etc. Next week I hope to talk to georgia O'Keeffe. I'll give her a copy of the catalogue & see if she remembers her note to you? Hope you're well & that your pictures are home.

I'm still delighted with your generous gift.

Best,
mami
