Dr. Eliot Porter
Rt. 4, Box 33
Santa Fe, New Mexico 87501

Dear Eliot:

This refers to the telephone call of your agent, Mr. Russell, to our treasurer, Mr. Mische; to the latter's letter to you of January 7 and to Mr. Russell's letter of the 14th to Mr. Mische, from which I see that it is intended to use the pictures in a project of which the Sierra Club will have control. Although we own all rights to those pictures we would go a long way to do anything you thought would be helpful to you -- except to put ourselves into the hands of Mr. Brower. You know why. I'm always open to suggestions from you, so if you have any comment, let me know; but that's the way I feel about it.

I'm leaving here the 19th for two days in Berkeley and will be back in my New York office on the 22nd.

With all good wishes to you and Mrs. Porter for the New Year, in which Mary joins,

Sincerely,

Harold K. Hochschild
