Mr. H. J. Swinney (Director)

Sir:

I would like to thank you for your quick response to the letter I sent you concerning a book by Dr. Elliot Porter called Forever Wild, and was most pleased with the reference to the magazine Modern Photography concerning his series of books. However, since you do not have the technical information which I requested, could you please, at your convenience, forward to me the mailing address of Dr. Porter if you have it available.

Cordially,

*Thomas A. Hunt*
