Jennifer Dewey
102 West San Francisco Street, #16
Santa Fe, New Mexico 87501

Dear Jennifer:

Please excuse this delay in getting back to you. As you may know, I was only recently released from a lengthy hospitalization, and am using this time for recuperation.

It is for this reason that I find I must decline your request for information pertaining to Antarctica, either written or oral. I do, however, admire your ambitiousness, and wish you every success in your venture.

Yours very sincerely,

Eliot Porter
