

5 May 1980

Mr. Milton Rugeff
Chanticleer Press Inc.
424 Madison Avenue
New York, N. Y.

Dear Mr. Rugeff:

I know nothing about the proposed Life on Earth book but could not in any case give permission for the use of a Smokies photograph in it with out the authorization of E. P. Dutton. Furthermore \$100 is about half the fee I customarily receive for one-time reproduction rights.

Yours sincerely,

Eliot Porter
