**House of Representatives**

Washington, D.C. 20515

July 6, 1977

Eliot Porter  
Route 4, Box 53  
Santa Fe, New Mexico 87501

Dear Eliot,

Thank you for your letter providing me with additional comments on the energy plan proposed by President Carter.

I appreciate your taking the time to clarify your views.

I will keep your letter on file in case of a Presidential veto of the public works water projects, as the appropriations bill has already passed the House of Representatives.

If I can be of assistance in the future, feel free to contact me.

Best regards,

Manuel Lujan, Jr.
