Dear Eliot:

Thank you for your mailgram in support of having the Special Prosecutor conduct a full and complete investigation of the entire Watergate affair.

Quite a few members of Congress feel as you do about this. Several bills have been introduced and will probably be considered in the months ahead. What will be done at this point depends on what Mr. Jaworski decides to do in the next few weeks under his existing authority.

Again, thank you.

Sincerely,

HAROLD RUNNELS, M.C.
