Dear Mr. Porter:

I have your letter of May 24 urging my support
of S. 1315, to protect ocean mammals from continued
slaughter by commercial exploiters.

For your information, the Commerce Committee
advises that this bill is just pending with no action scheduled.
I will watch for this and will give it my careful attention
when it comes up on the floor of the Senate.

Thank you for your interest in writing.

Sincerely yours,

Clinton P. Anderson
