Dear Sirs:

I have made arrangements through the kindness of Dr. W. T. Hanson to order twelve (12) medium sized dye transfer blankets, Part No. 761519, from your division.

If this may be done directly through you will you please send the bill and make shipment to the above address. On the other hand, if the order must be placed through a dealer, will you do so through The Santa Fe Book and Stationery Co., 100 San Francisco St., Santa Fe, N. M., who are an authorized Kodak dealer.

Yours very truly,

Eliot F. Porter
