Dear Eliot:

We're all delighted that you could be with us at the opening of your exhibition. I do not need to tell you how much interest your pictures have already drawn and I know that this is going to be one of the most interesting exhibitions that we have had recently. We are proud and privileged to have this fine collection on display.

I enclose two clippings about the show. Miss Smith will undoubtedly have something in Thursday's night paper and I will send this on to you.

With all best wishes,

Yours,

*Beaumont*
