Dear Eliot:

I am delighted that we will be receiving your show  
sometime soon. I'll let you know when it arrives.

After I have had a chance to see it, I'll write you  
about showing it here: the scheduling will depend  
on its size and your commitments. Don't worry  
about shipping charges!

We are delighted with the new prints which you sent  
for the Tenth Anniversary show. Thank you very  
much for them.

All best,

*Beaumont*
