Dear Eliot:

Thanks for your interesting letter about Ansel's article on color. I knew when we published it that it would bring forth considerable comment, at least I hoped it would. Of course, we would like nothing better than to present your work in the pages of IMAGE. Unfortunately we have no budget for the inclusion of color plates. From time to time, various printers have generously made a gift of color inserts. If we are fortunate to have another such offer I would very much like to get in touch with you and to work out a fine presentation of your work. We would also like to have you write an article about your views on color.

With all best wishes to you Eliot, and Merry Christmas.

Sincerely,

BN/msw
