Dear Eliot:

I am sorry to learn of the trouble you are having with Ektachrome film. I have brought your detailed report to the attention of Ralph Evans, head of the Color Control Division of the Eastman Kodak Company. He tells me that they are looking into the matter.

He will be in Los Angeles May 12 to 25 at the Hollywood Roosevelt Hotel. If by any chance you plan to be in Los Angeles, he would enjoy the opportunity of meeting you and discussing your problem. — or you can write him direct.

I am glad that you will have the prints sent here after the M. I. T. show.

All best,

Beaumont
