Dear Eliot:

I am delighted that McGraw-Hill is doing the book and I will, of course, see what I can do about getting the cooperation of Kodak. The man who can help me is out of town.

We will be very glad to have the chance to see your M. I. T. show. Will you please send it. I will see that it gets to M. I. T. by May 3.

It is Modern Photography not Popular Photography which is interested in doing a story and with at least one full page reproduction. I have discussed this again with Jackie Judge and we now plan to do it in the fall.

I have now made a selection of the four prints which we have purchased. Do you need the others for the M. I. T. show? If so, I shall return them at once. If you do not need them, I would like to send them to Jackie Judge.

All best,

*Beaumont*
