Dear Dr. Porter:

Thank you for your letter of April 24. I enclose our form to be used in applying for further assistance from the Foundation. The materials requested should reach us by October 15. I ought to alert you to the fact that third Fellowships have become particularly uncommon; we have been making few such awards in recent years because of the pressure on us from applicants who have not previously held one of our awards.

With all good wishes.

Sincerely yours,

  
James F. Mathias
