Dear Sirs:

Thank you for filling so promptly my order  
for two sweaters for Mr. and Mrs. Reynold Hardie.

The turtle-neck sweater I bought from you  
for myself in June was appropriated by one of my sons,  
so now I must order another. I would like one as much  
like it as possible, and so to facilitate a match I  
am enclosing 2 color photographs to illustrate the  
design and approximately the color pattern. The body  
color is a medium gray and the design is brown.

I enclose also a sketch giving the dimensions.  
The sweater weighs one pound 5 ounces or 595 grammes.

If the balance you are holding in my favor  
of \$13.50 is not sufficient to cover this order please  
let me know soon and I will send you a check to cover the  
rest of it.

Since the sweater may have to be made to order  
please send it by sea mail when it is ready.

One more matter. Please send me the price of  
the brown sheepskin caps like the ones other members of  
my party and I bought.

Sincerely yours.
