Dear Porter:

Your print arrived yesterday and I am very much delighted. I am rather embarrassed to have it sent as a present, as I had intended to order it, but I appreciate your thought in sending it.

Please be sure and let me know when you are coming to New York again. I would like so much to see what you have been doing since your last visit. I understand the Guggenheim award is not made until about the middle of March, and I certainly hope that you receive good news about it.

Sincerely yours,

David H. W. Aepin

The quality of water
in the foreground is
sweet. I know the
feeling so well as I
spent many summers
at NE Harbor & have
cruised a lot in Maine.
