Dear Porter -

Heartiest Thanks on
behalf of the Museum of
Modern Art for your
most generous gift. We
are most delighted to
have them and will do
all we can to keep them
alive and on view. I
believe that Miss Carter
can circulate them quite
widely to a number of
museums, galleries and
universities. I haven't
seen Hawthorne since we
started corresponding about
it - as I left the 15th and

2/ he's away now for a month. He has applied too for a commission & may be called about Sept. 1st. He hasn't heard yet either but is in touch with Capt. Office. He applied for Army Air Force - both photo interpretation, and intelligence - also for Marine Corps.

We return to Capt. Day 2nd - and I am going to Wash. Day 5th. It may only be temporary as I haven't yet found a billet. If I can find out anything about your papers will let you know. Warmest regards to A
As ever, Dave M.A.
