Dear Fair:

I am enclosing a copy of letter which gives a brief outline of Dr. Porter's background for your information. He is very much involved in the supervision of printing the 72 prints for the Sierra Club book on Glen Canyon, but as soon as he has any spare time, will be getting in touch with you to get your advice, counsel, and suggestions about the Guadeloupe Islands as outlined in the enclosed letter.

Warmest regards--

Sincerely,

David H. McAlpin
