Dear Aline and Eliot, —

Your cardinal reception for us upon arrival at Santa Fe was one of the highlights of the Tour. It was a delightful occasion and everyone was enchanted with your "dream" house and all its lovely contents. Everyone especially enjoyed Aline's Studio and the "Maestro's" dark room and remarkable photographs.

Sally is planning to have a reunion, including the husbands who were unable to take off time for the Tour. We are hoping that you both might be coming East before Christmas so that you could be our guests.

If, by any chance, this should

Summer they have a large Exhibition in the main gallery from June to September. John Szarkowski and I are on the Exhibitions Committee and I am sure they will want an Exhibition of your prints in the Main Gallery, perhaps in 1978 or 79.

This might include 20 large prints and 20 of the size of those you showed us from "Forever Wild"
