Dear Eliot,

Thanks for yours of May 2nd.

Both Weston Naef and Peter Bunnell are expecting to see you, but I do not believe that dates are yet fixed. After you have talked with them and have heard from the Cronin Gallery in Texas please keep me posted.

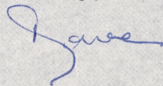

From June 30th until July 16th we will be in Europe on a tour with the Friends of the Princeton Art Museum. After we return we expect to be at Hewitt Lake, Minerva, Essex County, New York 12851 from about July 20th until September 7th.

Since Lee Witkin moved to the Fuller building at Madison Avenue and 57th Street he has been having a series of photographic exhibitions. I have been to several of the openings, which were heavily attended.

There was another opening last night at the Light Gallery, 724 Fifth Avenue, for Ansel Adams. I was unable to attend the opening, but I know that their exhibitions attract a large following.

All best wishes.

Sincerely,

DHMcA:rlw
