Dear Bill:-

This letter will introduce
our very good friends,

Aline and Eliot Porter who
live at Santa Fe, N.M. in ~~Winter~~
and on an Island off Maine
coast in Summer.

Eliot is an outstanding
Photographer and Aline a
fine Painter. They haven't
been to the Bronx Park since
Fair was there last.

I want them to see all

③ the superb developments
there since you have been
in charge. — The World of Birds
The World of Darkness and
Wild Asia.

They are spending five
weeks at The Lowell, 28 E. 63rd St.
Almeida has a splendid show of
Flower Paintings at The Betty Parsons
Gallery and Eliot's Exhibition
of Color Photography opens
at the Metropolitan Museum of
Art on November 13th

Warmest regards,

Sincerely,
