Dear Eliot:

The radio commercial is finished and ready to start on the air October 4th. You should be able to hear it on KOB/AM, KQEO/AM and KZIA/AM-FM of Albuquerque.

As you're aware, we sent a check in your name to the Audubon Society, and I'm sure they're as grateful as we are for the service you provided. Additionally, I thought you might enjoy the two books I've enclosed. The photography of the Oklahoma book gives a nice point-of-view, while The Search for Solutions is the basis for our free educational film series of the same subject.

It was a pleasure meeting and working with you. I look forward to seeing more of your work.

Very truly yours,

T. P. Harrison
