

Sir,

My name is Chuck Smith. I've been studying my photography at the Apeiron Workshops in Millerton, N.Y. During the course of the summer Fred Sommers & Paul Caponigro both suggested that I stop in Ilesque and visit you. I have been doing color for 4 years and dye transfer for one year. I'm very interested in meeting you and possibly studying or assisting you for a period of time. By the time this letter reaches you I will already be traveling across the country doing photography. I will be in the area around the second or third week in October. I will call several days ahead to be sure of our connection.

Sincerely,

Chuck Smith
