Dear Mr. Porter:

Enclosed please find two copies of Kaiser Jeep Corporation's new publication, Vagabond. As Martin Litton discussed with you several months ago, our first issue features a pictorial based around your photo of Great Spruce Head Island.

Our magazine was printed by web, so that we were not able to match the beautiful color of your Summer Island cover as well as we would have liked.

I hope you are pleased with our magazine, and the rendition of your fantastic shot. If you would like more copies of this issue, please drop me a line, and I'll send them immediately.

All the transparencies for the first issue are still at the printers. I will return all your photographs as soon as I receive your transparency.

Thank you again.

Cordially,

ATD INC.
