Dear Dr. Hall;

Eric spoke to me of
your conversation with Eliot
Porter, with whose work
I am familiar, and mentioned
the possibility of a
summer position assisting
Mr. Porter in his work.

You were very thoughtful
to speak to him about this,
and working with Eliot

Porter would be the chance
of a lifetime. I am sincerely
interested in such an opportunity;
I know something about his
methods of photography and his
efforts towards conservation
of nature in his work.

If Eliot Porter does need
an assistant, I would certainly
like to apply for such a
position, and thank you
for your consideration.

Sincerely,

Brad Beukema
