Dear Dr. Porter:

Although I'm sure you tire of hearing this,
may I simply say how much I admire your photographic
work, both for the contribution to the art and
to conservation.

I'm writing to ask about the possibility of
seeing your prints. I will be in Taos for a
couple of weeks in December and January--and although
I have been in the area often, I did not know until
recently that you were there also. Do you maintain
a gallery or studio where your work can be seen?
Like Best's Studio, for example? If so, I
would appreciate knowing about it. Thank you
very much.

Sincerely

A handwritten signature in dark ink, appearing to read "David Bayles", with a long, sweeping horizontal line extending to the right.
