Dear Mr. Boden:

Thank you for your letter of February 22, I am sorry that I have taken so long to reply to you but I have been away.

I had already replied to your first letter saying that I am very busy.

To reinterate, before I can commit myself to the essay for your book I must ask two things of you. First, when, precisely, do you need the piece as I am working on a book of my own work and my time is considerably short. Second, I will need to see some examples of Ms. Youngs work.

Yours sincerely,
