Dear Eliot:

I have certainly enjoyed "Summer Island." Thank you so much. It is a beautiful book.

The park has been especially pretty these last several weeks with the upper elevations glistening with heavy hoar frost. This is certainly a season you will want to experience, though possibly not the most comfortable. It was 8° here at park headquarters this morning. This is a little colder than usual though.

We will be looking forward to your return this spring. Please let us know if there is anything we can do to facilitate your project.

Enjoyed Dr. J.W.K's TV special on Baja. Kept looking for you but I guess this was another trip.

Sincerely yours,

Dan Davis

P.S. my fam. "american west" came today
& had a good writing on "Baja."
