Dear Mr. Porter:

New at Humboldt State this quarter is the Campus Sierra Club, a college group integrated into the Redwood Chapter North.

Three students, including myself are serving on the Executive Board of the Redwood Chapter North. The Campus club has an active membership of over 90.

Our club has an educational - conservation series of guest speakers. We would like to highlight the series with a photography-conservation program by you. Funds will be available to defray your costs.

If you could come to H.S.C. during the Spring Quarter, please give me an estimation of your necessary expenses. Lodging will be available at Dave Van de Mark's Trinidad home.

We would really like to have you come to H.S.C. I'm sure an Eliot Porter program would be extremely well attended.

Excuse me for handwriting this letter, but I broke a finger while playing handball.

Sincerely yours,

Brian Butsch
