Dear Mr. Porter:

It was a pleasure to receive your letter of January 18, and I am enclosing a copy of the letter I am sending to the Private Secretary of the Mexican President, who received your book before Xmas, and wanted to know your address in order to send you a letter of appreciation, for the wonderful book you wrote about Baja California.

Under separate cover I am sending you a copy of a book I wrote about the Isthmus, and I would like that you think over the possibility of making a book with the photographs you have and the literature taken from some chapters of my book, and translated into English.

Hoping to hear from you soon, I am

Cordially,

Enrique Sodi
