Golden Gate Park
San Francisco 18, California

Dear Mr. Finson:

I send you herewith a photograph and a short text to go with it for the Nature Photography series.

I am sorry that I missed the deadline by a few days. Since the middle of May I have been photographing birds in various places in the East and found it very difficult to find time and leisure to write even this short piece. I hope you will be able still to publish it.

Cordially yours,

Eliot Porter
