Dear Mr. Porter,

Thank you for your letter of 6th February. We are very sorry that you feel you cannot help us with our book. I do understand, though, how you feel on the question of participation, and I suppose that we should be grateful that you were not prepared to ask us to be content with less than your best work and full co-operation.

However, if you could consider letting us use one of your Galapagos dolphin pictures only, the editor, the art editor and I would be very happy. Do you think this might be possible?

Yours sincerely,

Elizabeth Landry
