Dear Mr. Schor:

On November 17, 1969 I returned the WP-1000 flash meter, which I purchased in March of this year, for repairs. This I did at your suggestion. I have not heard a word from you or the company since the meter was sent off. I would like to know whether Wein Products is prepared to put the meter into reliable operating condition for my needs as outlined in my letter of October 4, 1969, or if unable to do so to refund my money.

I would appreciate an answer.

Yours truly,
