Dear Mr. Carter,

I must tell you how very much I enjoyed your exhibit at Anson Carter Museum in Ft. Worth.

I was late arriving from Dallas and missed hearing your lecture at the Scott Theatre.

The photographs are the most beautiful and thought provoking I have ever seen.

I was wondering if there is a book or a collection of your photographs from China. I was there last year and although I saw some wonderful things, I'm sure I didn't see them with the eye for detail that you did. Thank you for all the beauty you have provided for people to enjoy.
