Dear Mr. Porter:

I just wanted to let you know once again how I enjoyed the opportunity to visit your studio last Saturday, meet with you and view some of your recent photographic endeavors. It was a delightful morning of fascinating recounts and a special time because your work has so greatly contributed to the public awareness and protection of priceless natural areas.

Sincerely,

A handwritten signature in dark ink, which appears to read "Beth Huning". The signature is fluid and cursive, with the first name "Beth" being more prominent.
