Dear Mr. Porter,

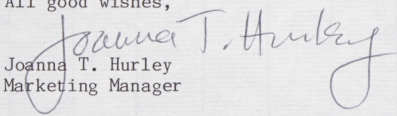

Here is a copy of the issue of Art & Antiques that has the excerpt of MEXICAN CHURCHES in it. I wish I had a copy of the book to send as well, but they're on the boat and should be arriving here in a couple of weeks.

Northwest Magazine, the inflight magazine of Northwest Airlines, will be featuring the book in a potpourri section they are running in their December issue. They will use one image, "the lamb of God."

I was in Los Angeles last week promoting the book and it received enthusiastic response from everyone I showed it to, from the Los Angeles Times to Palm Springs Life, so I'm hoping they will all use it in their Christmas round-ups. I'll be sending copies to The New York Times and lots of other publications once we have books. I'll also at that time send you a complete review copy list.

In the meantime,

All good wishes,

Joanna T. Hurley
