Dear Mr. Porter:

Now that we are doing the final editing of the Georgia O'Keeffe documentary, we are requesting the necessary written permission for the photographs we received from you.

Enclosed please find a copy of the standard WNET/13 release form which lists those of your photographs which may be included in the Georgia O'Keeffe film. As soon as the fine-cut of the film has been made, a final list of the photographs included will be sent to you and the appropriate remuneration will be made. Please sign and return to us one copy of the release and keep the other for your files.

We would like to thank you again for lending us your beautiful photographs. We assume that they have arrived safely.

Sincerely,

Catherine Tatge
