Dear Mr. Wilentz:

I would like to know more about the  
Hallmark jigsaw pozzeles deal.

- 1) anticipated volumn of sales of pusseles.
- 2) retain price
- 3) royalty rate on retain price

It seems to me that ~~if~~ this kind of use  
the initial payment should be independent of râyalties  
and not an advance against royalties.

I expect to be at my home address until  
June 13 when I leave for Africa for 6 months.

Yours sincerely,
