Mr. Merion Edey, Chairman
League of Conservation Voters
324 C Street, S.E.
Washington, D. C.

Dear Mr. Edey:

I only returned last Saturday from a prolonged visit to Iceland and so was unable to respond to your appeal for support of Alan Wersson's campaign to unseat Rep. Aspinall in Colorado.

Since the primary is tomorrow this response comes too late to be very helpful but perhaps my contribution will help defray other expenses of the League.

Yours sincerely,

Edw. R. Rosten
