Rt. 4, Box 33

Dear Dr. Porter:

Under separate cover we are sending you a current accounting of recent sales and our check in the amount of \$800.00. We have two or three good projects under way that may be "biggies".

Also we have a Houston customer who has selected the Mountain Snow scene on pages 114 and 115 of Appalachian Wilderness. This is the next to last color illustration in the soft bound version of the book. It was not one that I had selected initially so I do not have that original transparency. Could you please send it to my attention in Dallas so that we may make a test print for that Houston customer?

I hope all is well with you and please extend my best wishes to Jim Bones also.

Sincerely,

MEISEL PHOTOCHROME CORPORATION
