Dear Dr Porter:

Attached is a copy of our letter to you on March 5 requesting the originals used in the Wilderness Collection. Please take a moment now to review that letter so you will understand that our need is becoming critical.

We are sure that you join us in wishing to continue our offering of the Wilderness Collection. Please take the time to help us by pulling these originals and sending them as indicated on the attached letter.

Best Regards,

Carol Stewart, General Manager

Dear Vendor:

It is our intention to pay accurately and promptly all vendor invoices upon receipt. In order for us to more fully realize this goal we are asking all our vendors to mail invoices directly to our accounting office at the following address:

P. O. Box 22149
Dallas, Texas 75222

With the receipt of invoices at our accounting office instead of the ship-to address, we hope to maintain our ability to pay promptly.

Sincerely,

MEISEL PHOTOCHROME CORPORATION
