Dear Dr. Porter:

As requested in David Lunt's letter of February 8, 1982, I am returning to you, with this letter, all duplicate 35mm slides, 4 x 5 internegatives, and 8 x 10 internegatives that Meisel Photochrome Corporation has had in its possession during the term of our Letter Agreement dated April 29, 1975.

Meisel has enjoyed representing you over the past several years and we look forward to working with you again in the future. In the meantime, if I can be of any assistance to you please do not hesitate to call.

Sincerely,

Cindy S. Saunders
