Dear Eliot,

The box has arrived, and just as soon as Nancy can take the time we shall be very happy to go over the material in preparation for passing it on to Mr. Luell.

Nancy is just finishing up the Weston book for the Museum and as you can imagine the last minute rush is making great demands upon her time; however, we shall get to it very soon.

I found your article on bird photography in the AMERICAN ANNUAL very interesting. With all best wishes for the New Year.

Yours,

Beaumont
