Dear Miss Mayer:

I am delighted by your interest in my photographs. I had no idea there was an exhibition being planned for February. Since there is no hurry about sending the prints to Rochester, if you would like to hold them until Mr. Steichen is well enough to look at them I would certainly be glad to have you do so.

Because I failed to put identifying numbers on the mounts (the numbers there are only for the hanging order), I am unable to identify all the prints you listed. Perhaps the technician could make photostats or tracings of the following and send them to me:

Fall - No. 3 3
Spring - No. 1
Spring - No. 3

I shall be very glad to make new prints for you. This is not so difficult as you may think since the hard work is already done.

Yours sincerely,

Eliot Porter
