Dear Sirs:

I have your letter of October 4, 1968
in regard to the use of photographs of mine in
a 1969 Japanese calendar.

You inform me that you have reproduced
three of my photographs which first appeared in
THE CONTINENT WE LIVE ON and are paying for this
use \$70.00 each.

I am not aware that I have authorized this
use or that I have agreed to this price. If you
possess any documentary evidence granting permission
for this use, I would appreciate your sending me
facsimile copies of the documents before we pursue
further the matter of payment for these rights.

If no permission for this use has been
granted, I must inform you that the remuneration
you offer is considerably less than my customary
fee for calendar use, and furthermore that your
appropriation of this material amounts to the pirating
of copyrighted photographs.

I hope to hear from you about this matter
at your earliest convenience.

Yours sincerely,

Eliot Porter
